Dear Walter:

I certainly appreciate your sending me a pre-publication copy of JAPAN BETWEEN EAST AND WEST.

As you know, there is a real need to bring Japan's changing role in world affairs to the American public. I am sure that the study group, under the chairmanship of Ernest Gross, made a most valuable contribution. I am looking forward with much interest in reading the book very soon.

Once again, many thanks.

Sincerely,

Allen W. Dulles
Director
